

The Student Partner Playbook

You'll be supported by:

Learn. Lead. Grow.

Phase 1: Learn

 **Show up to own up:**
Attend every session for maximum impact.

 **Practice makes perfect:**
Record your dry runs for session success.

 **Group project:**
Experience to create and work on real life projects with your team.

 **Your session, your way:**
Create engaging sessions from your learnings.

 **Assignment:**
After each session to assess your understanding.

Phase 2: Lead

 **Action:** Deliver sessions every month in your college/community.

 **Implement feedback :**
Receive feedbacks through your submissions and get ready to implement for your next session.

 **Capture & submit:**
Capture your delivery and achievements, submit them to gain your points!

 **Action++:** Repeat the cycle.
Attend- learn- prepare- deliver- feedback-share- implement.

Phase 3: Grow

 **Earn recognition:** Get honorary mention and rewards as one of the top 3 LSPs of the month based on your delivery and submissions.

 **Capstone presentation:** Get a chance to showcase your knowledge turned into actionable steps.

 **60 Days of Learning:** Side by side, actively share your learning, experience and knowledge with your community.

 **Graduation:** Graduate as an LSP!

Progress Tracking (KSS)

KSS Delivery 101

1. Finalize topic, partner, date and venue.
2. Prepare slides and dry run recording and send for review in Discord.
3. Send participant registration form (given template).
4. Incorporate feedback slide template in your presentation.
5. Let everyone know - share in your LinkedIn!
6. Submit resources in the form shared.
